### **Description:**

The Unceded Journey is a transformational tour where you will experience the true history of Manitoulin Island and learn how Wikwemkoong came to be Canada's only officially recognized Unceded Territory.

This unique learning experience has the power to foster relationships and promote the concept of reconciliation between all nations. An educational awakening like no other, that reveals the truth from the first Residential School on the Great Lakes and Northern Ontario's oldest catholic church that have occurred throughout Canadian history. This step-on tour can change your perspective on the current narrative of the history of Indigenous people in Canada.
